Public-private partnerships working well in Saint Paul

In the last City Update newsletter, the lead story mentioned that the City of Saint Paul received an award from the U.S. Conference of Mayors Business Council for the public and private partnerships it encourages. Here's a little information about one of those partnerships.

Weber Shandwick Worldwide (formerly Shandwick International), a member of the Saint Paul Chamber of Commerce, has been providing public relations counsel to the Firststar Capital New Year celebration for the past three years. Preliminary numbers show a 25-percent increase in attendance for this past New Year's Eve event. That's about 45,000 people ringing in the New Year in downtown Saint Paul.

Part of this increase can be attributed to the media coverage surrounding the event. This year, there were more than 50 television

And the Name is... Cityfit!

Cityfit is the name of the new city-wide health promotion program! Wendy Lane from LIEP was the creative employee who will receive a \$50.00 gift certificate for Woolley's restaurant for submitting the winning entry. Congratulations Wendy!

Cityfit was chosen by the health promotion committee from 167 ideas submitted by 68 employees. This creativity and enthusiasm will make Cityfit a successful program! All the names of non-winning employees were entered into a random drawing for four \$10 gift certificates, and four

stories on the event and more than 13 million print and television impressions. Other fun facts:

*Firststar Capital New Year is the largest New Year's Eve celebration in the Midwest

*More than 125 acts and performances took place on 25 different indoor stages

\$15 gift certificates for local restaurants. The winners were: Patricia Hill, Paula Peterson, John Stechman, Glen Kadrlik, Jan Magnuson, Jean Anderson, Paul Hogrefe, and Jean Karpe. A hearty thank you to all who participated!

The first Cityfit program will be 10,000 Steps, an exciting 8-week physical activity program. Watch for 10,000 Steps details in your home mailbox and in a future issue of City Update! The next task for the committee is to review results from the health promotion interest survey that was distributed to all employees with their last paycheck. This employee feedback will help the committee determine future programming and events.

If you have any questions about Cityfit, or want to offer suggestions or ideas, you can now send e-mail directly to: cityfit@ci.stpaul.mn.us or call Anne Nelson in Risk Management at 266-8899.
